Subject: Request for First Right of Refusal to Purchase Property

Dear Mayor Toovak,

I am writing to formally request the first right of refusal to purchase a property in Utqiagvik. I believe that the property, located at Lot 7 Block 11, holds great potential for our church.

We have been actively seeking a property in Utqiagvik that aligns with our vision and goals. After thorough research and consideration, we have identified the property in the City as an ideal location for our future. I believe that the property presents a unique opportunity for us to contribute positively to the community and further enhance the development of our community.

As a responsible and committed organization, I assure you that we possess the necessary financial stability and resources to undertake the purchase and maintenance of the property. I understand the importance of preserving the property's historical and cultural significance, and we are fully committed to adhering to all applicable regulations and guidelines.

I kindly request that the City of Utqiagvik grant us the first right of refusal to purchase the property should it become available for sale. This would allow us the opportunity to assess the property's suitability for our intended use and negotiate a fair and reasonable purchase price.

Thank you for considering our request, and I look forward to the possibility of acquiring the property and contributing to the progress of the City of Utqiagvik.

Yours sincerely,

Lupe Takafua
