Re: BVFD Monthly Report May 2024

Mayor Toovak,

This report will cover the emergency response and activities of the Barrow Volunteer Fire Department from May 16, 2024, to June 15, 2024.

During this period, there were approximately 112 dispatched calls, including 7 fire calls and 105 ambulance calls. Out of the 128 ambulance calls, 12 were related to Ethanol Alcohol, and 0 were related to drugs.

We are currently actively seeking volunteers to join our department. We have received a few applications and have initiated the interview processes. We are currently in the process of scheduling CPR & First Aide classes, and will be extending invitations to the community. Keep an eye out for information on the BVFD FaceBook page for updates. If you or anyone you know is interested, please feel free to contact us at 907-852-0234 and ask to speak with anyone in operations. Alternatively, you can also reach us via email at nsbfdvolunteers@north-slope.org for more information.

We are also excited to be teaming up with the City and conducting summer activities. We would like to extend our appreciation to Mayor Toovak and the City Council for their continued hard work engaging community activities. We look forward to strengthening our relationship.

Respectfully,

Austin Taufa, Battalion Chief Operations

A handwritten signature in blue ink, appearing to read "Austin Taufa".
