Dear Sir/Ma'am,

I hope this letter finds you well. The 2024-25 school year has begun and with it all of the exciting activities that Barrow High School has to offer. With the reintroduction of class trips for graduating seniors, we are proud to provide our students with a unique opportunity to expand their knowledge of the world, understand new people, places, and cultures, discover more about themselves, and grow more confident and independent. This tour includes many amazing sites and activities that will tap into their interests and make it a more personal experience. The trip to Greece is open to all graduating seniors, who also have the opportunity to earn three college credits by completing an additional project related to their tour experience.

The trip is an all-inclusive event that includes airfare. The cost per student is \$5,739. Our goal this year is to raise \$57,390. The students and I have already set up fundraising events and activities to support the cost of the trip. We will be hosting dances, fun nights, selling baked goods at sporting events, and raffles. While I am hopeful we will be able to reach our goal, I want to recognize that many of these students are very busy with their senior year and are involved in a variety of activities in and out of school which can impact their availability. I am reaching out to the community to ask for support in reaching our fundraising goals. Your generosity can make a significant impact on the lives of our students.

Any contribution, no matter the size, will be greatly appreciated. If you can contribute to our fundraising efforts, please mail a check to:
